Professional Experience: Assistant professor, PhD Monika Panayotova is a university lecturer at the University of National and World economy. From 2017-2018 she was a Deputy Minister at Ministry for the Bulgarian Presidency of the Council of the EU 2018, in charge of the relations with the European parliament. From 2014-2017 she was General manager of Inno Advisers Ltd., and then from 2019-2021 she was CEO of this consultancy company, owned by Comac Medical, with main purpose – the development of innovative projects and concepts in the field of education, youth, health and science. Previously she was a Member of European Parliament (2012-2014), part of CONT, CULT and SEDE committees. She worked actively on different initiatives related to the opportunities for entrepreneurship, SMEs, access to new technologies, know-how and forms of risk capital, which are crucial for the EU positioning in the global competition. From 2009-2012 she was a member of the Bulgarian Parliament - Chairwoman of the Committee on European Affairs and Oversight of the European Funds and a member of the Foreign Policy and Defence Committee. She was a research fellow at the Economic Policy Institute. Panayotova, PhD has executive education experience in the field of foreign and international affairs-Public Leaders in SEE program, Harvard University, JFK School of government; Tailored Seminar on National Security Policy for Representatives from Bulgaria, George C. Marshall European Center for Security Studies; Visitor Leadership Programs in US, France and NATO HQ Brussels. She has worked on Erasmus+, Horizon 2020 projects, NATO HQ projects in the fields of education, sport, European integration, entrepreneurship and in particular eco-entrepreneurship, health innovation, digital and green transformation, security and defence.	
Areas of scientific interests: CFSP/CSDP; NATO, EU's external relations - enlargement and neighbourhood policies, humanitarian and development policies; Sustainable development and green transformation, UN SDGs; Public communications of the EU, Transnational political process in Europe.
